# How to use this Passport

Dear Student,

Congratulations! We are glad you took advantage of this great opportunity to “get out, have fun, get healthy,” this winter.

To use your new Passport, here are a few things you need to do:

1. Make sure you adhere your own photo securely in the box on the inside of the front cover. Your Passport will not be valid without your affixed photo.
2. Don't forget to sign the passport and have a parent or guardian sign it too.
3. A parent or other responsible adult must be with you at the ski area and purchase an all-day ticket. One adult may accompany two Passport holders.
4. You may use this Passport up to three times at most areas listed in the Passport. Please check for blackout dates and other restrictions on individual Lift Visas, Trail Visas and other coupons in this Passport.
5. Please read all rules regarding Passport use on the inside back cover.
6. It is a good idea to check our website, [gokimichigan.org](http://gokimichigan.org), for hours and snow conditions before you head out.

Call us at 248-620-4448 during regular business hours if you have questions. Remember to ski and ride safely, stay in control and Have Fun!

See you on the slopes!  
*Steve Kershner*  
MSIA Chairman

### Important message from the Michigan Snowsports Industries Association:

This is a test to see if you are reading through your entire Passport Booklet! Want some ski "swag" direct from ski and snowboard suppliers? We're talking things like stickers for your helmet, maybe an ice scraper or other important things we've accumulated.

If you do, ask your parent to send an email to [info@goskimichigan.com](mailto:info@goskimichigan.com). Be sure to include your address so we can get it in the mail!
