Passport I.D. Card

Dear Student,
Congratulations! We are glad you took advantage of this great opportunity to “get out, have fun, get healthy,” this winter. To use your new Passport, here are a few things you need to do:

1. Make sure you adhere your own photo securely in the box to the left. You will not be able to use the offers in the passport app without your photo I.D. card!
2. Don't forget to sign this I.D. card and have a parent or guardian sign it too.
3. A parent or other responsible adult must be with you at the ski area and purchase an all-day ticket. One adult may accompany two Passport holders.
4. You may use this Passport up to three times at most areas listed in the Passport. Please check for blackout dates and other restrictions on individual Lift Visas, Trail Visas and other offers in the Passport App.
5. Please read all rules regarding Passport use. They are listed online at coldiscool.org and also on the app.
6. It is a good idea to check our website, goskimichigan.org, for hours and snow conditions before you head out.

Call us at 248-620-4448 during regular business hours if you have questions.
Remember to Be Safe, Ski Safe and Have Fun!

See you on the slopes!
